

Join Our British Columbia Team!

Job Posting

Have you ever wanted to make a positive change for the environment in your community?

Are you interested in becoming involved in a national campaign to help reduce energy consumption?

Do you have some time to spare from September to December, 2008?

Project Porchlight British Columbia, thanks to funding from the EnCana Corporation and BC Hydro, has set a goal to distribute one energy efficient light bulb to each home in North Eastern British Columbia. We need your help to bring Project Porchlight to your community!

We are currently seeking a **Coordinator/Data Mapping** person (hourly contract) to be based in our office in Dawson Creek, B.C. This is a 14 week term position at an hourly rate of \$17.00/hour.

You will be responsible for collection, verification and entering of data into One Change's database records system. You will also generate specific reports for the management team and other administrative/clerical duties. You will also assist with special projects and events as needed.

Skills Required: Strong computer skills specifically in MS office and database management; strong organizational ability; ability to work under pressure with excellent attention to detail; ability to work well as part of a team; ability to work independently and to pick up and apply new information quickly.

You will help us:

- Create awareness about Compact Fluorescent Light bulbs (CFLs) and energy efficient behaviours in your community
- Coordinate volunteers and supplies for community events
- Assist with the implementation of activities and publicity events
- Foster strong relationships with community sponsors and volunteers
- Support volunteer recruitment, training, activities and recognition

Project Porchlight is a community-based social marketing campaign administered by One Change, a not-for-profit organization based in Ottawa that encourages the adoption of environmentally conscious behaviours.
